Getting started with Reports

Use Cases

Quick Tips

Examples

You can use Reports however you like. Here are a few examples:

**Notes to self**

Add a graph to reference later.

[See Example →](#)**Work log**

Track what you've tried and plan next steps.

[See Example →](#)**Collaborate**

Sharing findings with your colleagues.

[See Example →](#)

Featured Reports

[Go to Fully Connected →](#)

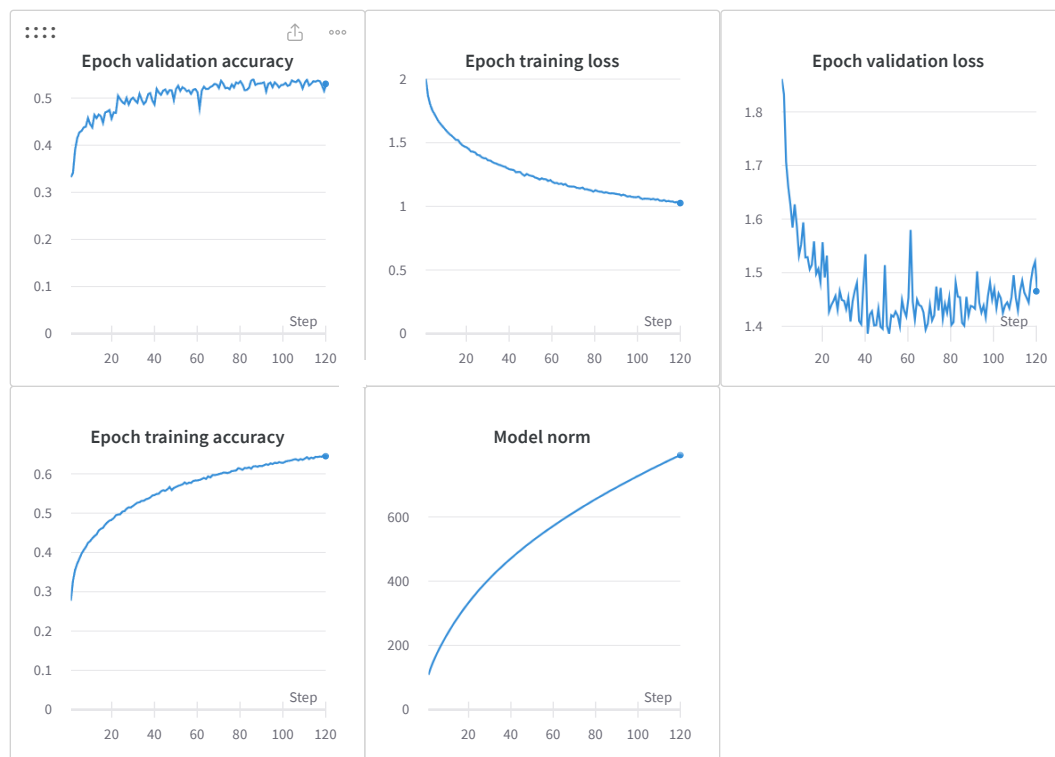

Check out how others are using reports:

Untitled Report

Add a description...

Radu Solca

▼ Section 1

Import panel

Add panel

Run: dazzling-puddle-1 1

radu-solca / Advanced-Topics-in-Neural-Networks-Template-2023-lab05_Solution

Search runs
